Price: £150,000 GBP Ex works

General

Complete Finning Caterpillar G3516A+ Landfill generator package. Floor mounted cooler, stainless steel exhaust silencers, Terberg control system, MCC, ABB synch breaker. Package acoustically rated at 63 d(B)A @10m. Unit was running when removed by ourselves and comes with comprehensive service records. It is currently dry stored at our works in Great Haywood.

Standby Rating

These ratings are applicable for supplying continuous electrical power (at variable load) in the event of a utility power failure. No overload is permitted on these ratings. The alternator on this model is peak continuous rated (as defined in ISO 8528-3).

Prime Rating

These ratings are applicable for supplying continuous electrical power (at variable load) in lieu of commercially purchased power. There is no limitation to the annual hours of operation and this model can supply 10% overload power for 1 hour in 12 hours.
